

**TOWN OF KENLY  
"FRIENDLY KENLY...A  
TRIANGLE EAST COMMUNITY"**

**Town Hall Meeting**

The next Town Hall meeting will take place on **Monday** April 8<sup>th</sup>, 2019 at 7:00pm

**Online Bill Pay**

Residents are reminded that the only legitimate place to pay online is at the Town of Kenly website. If you use another website, your payments may get to the Utility Department after the due date. The town's website is [www.townofkenly.com](http://www.townofkenly.com)

**Streets Department**

Please ensure that if you contract workers to cut trees on your property, that the contractor removes the tree limbs. The Town does not remove limbs cut by contractors.

**Downtown Revitalization**

Please congratulate the following that have been confirmed by the Town Council to serve on the Downtown Revitalization Committee: Martha Rogerson, Will Faber, Lawanda Neal, Andy Batten, and George Arant.

**Public Works**

No grease should go down the drains in your home. This will lead to clogs and will hurt the system overall. If you have concerns

about how to dispose of grease, please contact the public works department.

**Kenly Parks & Recreation**

Adult League Basketball has started and we are off to a great start. We are planning to paint the gym once the games have ended, but may have to start while the season is still ongoing.

It is expected that KPARC will go through some modifications within the next few months. We have started replacing the parking stakes that have been there for nearly 20 years and work on refinishing the benches, fixing water drainage, and working on the bathrooms.

**Suspicious Activity**

There have been reports of a man taking photos of properties and claiming to work for the Town. The individual was driving a white truck with no markings. All Town vehicles clearly say "Town of Kenly". If you see this individual, please contact the police department to get assistance.

**Road Improvements**

Be on the lookout for major road improvements within Kenly. The Town Council approved a bid to have a majority of the roads with significant damage repaired. This should start within the next month or so.

**Reminders**

Do not dump charcoal ash or fireplace ash in the trash receptacles.

**Upcoming Activities**

All meetings that take place within the Town of Kenly will be held at the Town Hall.

March 26<sup>th</sup> @ 6:00pm DTR Meeting  
April 8<sup>th</sup> @ 7:00pm Council Meeting
