Spring Clean-Up

Spring Clean-Up has started and will stop on April 22nd. Please ensure that you have items to the side of the road so that Town employees can get to them.

Budget - Public Hearing

There will be a public hearing on the 2019 – 2020 budget during the May Town Council meeting. Resident are encouraged to attend the meeting and ask any questions as it relates to the upcoming budget.

Public Works

No grease should go down the drains in your home. This will lead to clogs and will hurt the system overall. If you have concerns about how to dispose of grease, please contact the public works department.

Kenly Parks & Recreation

The Kenly Parks and Recreation is starting flag football in June. The program was designed to give parents and children an alternative to full contact football. Parents are encouraged to contact the Kenly Parks and Recreation Director for more information.

Take a look at the improvements that are taking place at the parks. From cutting down trees to painting stakes, we are continuing to make improvements.

Volunteers Needed

Volunteers are needed to work the concession stand during Kenly sponsored baseball and softball games. If you are someone you know would like to volunteer, please contact the Parks and Recreation Director.

Road Improvements

Due to the large amount of rain that has been falling, the scheduled road repair for Kenly is postponed until portions of Kenly dries out.
