Breast Cancer Walk

Thanks to each of you that participated in the Breast Cancer Awareness Walk. This is an event that we hope to have each year.

New Library Forum

Thanks to each resident that came and participated in the public forum to discuss the issue of building a new library. With your feedback, we will now develop a plan to present to the Town Council in November.

Parks & Recreation

The gym floor is complete and can be used by all. We are now taking applications for the following sports: Cheerleading, Co-ed youth basketball, and Adult Church league basketball.

Library

Storytime is held every Thursday morning at 10:00 am. Please join us and see you in the library!

Easements

Starting November 4th, the Town's workers will be going door to door to have residents whose property abuts a canal to sign easements so that the Town can start cleaning out the canals. This is extremely important so that we can reduce the amount of flooding within the Town of Kenly.

Help Prevent Sewer Backup

Most backups on the sanitary sewer system occur between the home and sewer lines.
